January Little Chefs

- Developing fine motor and coordination with tools
- Ask your child "What is the next step" or "Why did you do it that way" to encourage open communication and storytelling
- Learning to follow instructions, building independence and self-confidence
- Children learn to reflect on what they have done and can plan/think of what needs to come next
- Encourages thinking about various sizes, shapes and numbers.

Providing programming & resources for families with children 0-6 years of age.

February 2019

play
is the work of the
child
- Maria Montessori
