Airport Parking

Edson, Alberta, May 18th, 2016 – Construction is underway on some new parking options at the Edson Airport.

As scheduled air service to Calgary is set to begin in June, the need for additional and long term parking options became apparent. Work has begun to extend the current parking lot area to allow for long stay parking.

Integra Air is set to begin scheduled flight service to and from Calgary June 6th with a ribbon cutting ceremony to take place at 8am that day. Local dignitaries will be on hand for the ribbon cutting and the public is also invited to attend.
