I agree to verify that the settings appearing in the visual indicator windows on the bindings correspond to the settings to be recorded on this form.

ASSUMPTION OF RISKS

I am aware that skiing and snowboarding involve risks, dangers and hazards and that injuries are a common and ordinary occurrence of these sports.

SKIING I understand that the ski boot/binding system may not release during every fall or may release unexpectedly. The ski boot/binding system is no guarantee that the user will not be injured.

SNOW BOARDING/SKI BOARDING I understand that the ski boot/binding system is not designed or intended to release and will not release under normal circumstances. I understand that the boot/binding system is a non-release system, this system will not reduce the risk of injury during a fall and will increase the risk of not surviving an avalanche.

HELMETS I understand that a helmet designed for Recreational snow sports use will help reduce the risk of some types of injuries to the user at slower speeds. I recognize that serious injury or death may result from both low and high energy impacts, even when a helmet is worn.

I FREELY ACCEPT AND FULLY ASSUME ALL RISKS, DANGERS AND HAZARDS ASSOCIATED WITH THE USE OF THE EQUIPMENT.

In consideration of the rental of the Equipment, I hereby agree as follows:
