Community Engagement Action Team here to Support County and Town

March 28, 2017 – Community Safety Initiative (CSI) and Bully Free Edson (BFE) have merged to become one, new, magical local organization: the Community Engagement Action Team!

Developed from a love of our shared community, and to better support Edson and the surrounding Yellowhead County in growing a healthy, diverse and vibrant community through engagement and action, we have developed a new team. The Community Engagement Action Team. And a new logo, vision, and mission.

NEW NAME and LOGO:

NEW VISION:

A healthy, thriving, engaged community.

NEW MISSION:

The Community Engagement Action Team is a community based society which collectively shares resources to promote a healthy, thriving, engaged community for the people of Edson and Yellowhead County, through various initiatives and educational events that enhance the safety and wellbeing of all.

Look for us in out in the community with initiatives such as random-acts-of-kindness, concerts, teen swim nights, workshops, and lots of other exciting events. Interested in more information or want to join the team? Just contact Jim Desautels, Chair (jimd@edson.ca) or Christopher Read, Vice-Chair (cread@yellowheadcounty.ab.ca).
