

# Hey Neighbour! Want to have a Block Party?

A few neighbours have been talking and we thought it would be fun to get together and have a “meeting-on-the-street-event”. This would be an opportunity to get to know one another. To get this event underway, we would like to know what you think!

My name is: \_\_\_\_\_

I wondered if you could call, text or even send me an email:

Call me at (\_\_\_\_) \_\_\_\_ - \_\_\_\_\_

Text me at (\_\_\_\_) \_\_\_\_ - \_\_\_\_\_

Email me at \_\_\_\_\_

& let me know what you think about the following:

Would your family/household be interested in participating in a Block Party?

What would the best time of day and the best day of the week be?

What's your name?

Where do you live?

What's the best way for me to get a hold of you?

Would you be interested in helping organize the Block Party?

.....

We look forward to finding out whether our neighbours are ready to party!

You can find more information about Block Parties at [www.edson.ca/blockparty](http://www.edson.ca/blockparty)

Thanks neighbour!
