

Zoom Public Hearing Protocol

- Log in at least 15 minutes prior to the meeting start time.
- Where possible, please use a headset to help reduce background noise and echo.
- Participants will be **audio only** and microphones will only be turned on by the host when you are called upon. Only the meeting chair will have video activated.
- Please use the “Raise Hand” feature if you would like to speak during the question period. Press the button again to lower your hand once your turn is over.

- Any derogatory remarks, accusations, disrespectful language, or interruption of speakers will result in your **removal from the meeting**.

Pre-Meeting

- Please install and familiarize yourself with the zoom meeting program prior to the meeting. There will be no tech assistance available during the proceedings.
- Please ensure your microphone is in good working condition and tested for levels via the zoom settings prior to joining the meeting.
