## WHAT LEVEL SHOULD I REGISTER MY SWIMMER IN?

I am registering for the entire season/multiple lesson sets?

Register for last level indicated on progress report/book evaluation

It's swimmers first time in lesson?

Ages 3 - 5 register in preschool 1
Ages 6+ register in swimmer 1
OR book an evaluation

Incomplete

Completed

Register in level indicated in report card

Register in level indicated in report card

Important Note: Swimmers that are registered in levels that are too advanced will be moved to correct level if there is space. If there is not room in correct level a refund will be applied to swimmers active net account. All other forms of refund are subject to a \$10 administration fee.

Registering in a level beyond a swimmers ability can put the swimmer and the class at risk.

Swimming is skill based, it takes practice to master skills and achieve endurance.

When swimmers are registered in the correct level it allows all swimmers in the class equal opportunity for success.

Email katieb@edson.ca for more information or to book an evaluation.

There is a \$5 fee for evaluations.
