News Release

Olympia Advertisement

Edson, Alberta, Aug 6, 2025 – The Edson & District Leisure Centre has a new sponsor for the Ice Resurfacer. Two actually!

The Olympia is now proudly wrapped and maintained through a multi-year partnership between Cass Controls Ltd and Truman Plumbing.

The partnership between these two companies reflects a strong commitment to supporting local recreation and community engagement.

Their support will help maintain high standards at the Leisure Centre and contribute to building strong community spirit in Edson.

Stay tuned for more great advertisement opportunities as the YCE Multiplex Project continues to take shape.
